

Fall 2024 MSN-E Schedule

All full-time MSN-E students must register for the core classes listed below. Please **choose one of the two** schedules below and register for **each CRN** (five-digit) number associated with the section. All students should input **seven CRNs** to be **fully registered**.

All core classes are assigned per the times listed on the weekly calendar.

Clinical days for MSN-E students will begin after week ten (10). Students' scheduled clinical days may be Thursdays or Fridays. Clinical details will be provided during the fall 2024 semester.
